want reading to
be easy & more
enjoyable for
your child?

Speech pathologists Daniel Naidu and Jolin Edmondson love to help children master the mysteries of reading, writing and spelling. Using their deep understanding of kids' receptive and expressive language, they've helped hundreds of 5 to 10 year olds improve their literacy and at this valuable 2 hour presentation, Daniel and Jolin will show you how to support your reluctant reader's confidence and skills.

Join us for a down to earth evening full of practical strategies and common sense advice so that your child will enjoy a better chance of literacy and learning success.
