## IS YOUR CHILD LOVABLE, BUT CHALLENGING?

When emotion gets too much for children to handle, they sometimes experience behaviour & learning challenges.

Experienced teacher, best-selling author and Kids First Children's Services founder, Sonja Walker, has helped hundreds of families to overcome the challenges presented by strong willed under 6's. In this down to earth presentation, she will help you to understand the things that overwhelm your kids and teach you practical strategies for helping your child to behave better.
